

Your Wedding

HARTSFIELD MANOR

BETCHWORTH • SURREY

When choosing a venue for your wedding, you want the very best

As the backdrop for your fairy-tale wedding, this 19th century manor house offers stunning beauty and historic grandeur. Rooms with character, from high ceilings to cosy lounges with real log fires and far reaching views across the Surrey Hills.

Upon entering Hartsfield Manor you will already find the impeccable setting for your photos. From the grand staircase and archways for confetti photos, to our picturesque gardens. Our light and airy rooms are features within and perfect for those indoor photos.

For something really exceptional, why not consider the option of taking exclusive use of the manor house for your special day. Whether couples are seeking a civil ceremony or reception venue, Hartsfield Manor is ideal in every way. More recently we have become a popular venue for the renewal of wedding vows.

Here, the smallest of details really do make a huge difference. Our dedicated and experienced wedding coordinators will help plan your wedding from start to finish. On your special day they will be on hand to ensure your wedding is as individual, exciting, and memorable as you have always dreamt.

A charming hotel with a loving history

Hartsfield Manor was built in the 1860s as a private family home by Arthur Woodriff-Jaffray. Sadly, Arthur died in a shooting accident and never got to see the completed house. In 1871 his young widow Mary, remarried Captain James Moir. They had six children together and occupied the house in the early 1870s.

During the Second World War, the house was used by the Canadian Army as a hospital. After the war, it became a hotel, then a training college for Midland Bank. The house has had an interesting and varied history – a collection of original photos discovered in the attic are on display in the reception area.

Hartsfield Manor is now privately owned, cared for and maintained to the highest quality, making it the beautiful wedding venue you see today. We are licensed to host civil ceremonies for up to 90 people in our elegant reception suites, overlooking our 16 acres of parkland gardens, and we can cater for up to 120 people for your wedding breakfast.

Hartsfield Manor's 50 stunning en-suite bedrooms offer your guests a unique stay in our grand property.

A bride and groom are shown in a romantic embrace, kissing. The bride is wearing a white wedding dress with a long, flowing veil and holding a large bouquet of white flowers. The groom is in a dark suit. They are standing in front of a large, mature tree with thick branches. The background is a soft-focus landscape with more trees and a light sky.

The Big Day

What to expect from your
wedding at Hartsfield Manor

This is your unique day & it has to be perfect...

Every room in Hartsfield Manor is as beautiful as the next. It can be dressed to suit the style and theme of your day, whether it's your wedding reception, ceremony, or both.

No doubt you have ideas about your special day, from classic & traditional to creative & quirky. Why not let your imagination run riot? Or if you're looking for inspiration, we can provide plenty of suggestions. We believe no two weddings should ever be the same.

Hartsfield Manor was designed with space and flexibility in mind. Enjoy an intimate gathering in the Brockham suite for up to 40 guests, or for larger parties in the Terrace restaurant for up to 120 guests.

Outside, the stunning grounds are picture perfect. Whilst you capture the moment, we'll host your drinks reception on the terrace and keep the conversation flowing with tall Pimm's and decadent Champagne, as your guests enjoy a string quartet.

We are fully licensed to hold a civil ceremony for you and cater for the whole day. You can reserve up to 50 of our luxurious rooms and suites, so that we can accommodate your guests with ease and style.

With dancing and singing into the small hours, you will have the send off of your life, with memories to savour and share forever.

Terrace Restaurant

Our Grounds

Because the outside is just as important as the inside

There are a whole host of idyllic photo opportunities around the grounds, whether it's for those intimate shots of just the two of you, or capturing a shot of your entire family. Our giant chess board acts as the perfect ice breaker for your guests who may be meeting for the first time.

Luxurious Rooms

It doesn't have to end with the last dance,
you & your guests can stay in comfort

The perfect place to get
away from it all...
relax & recharge

For many wedding parties, it's a rare chance to spend time with friends and family from far and wide.

Arrive early and calm those butterflies with a relaxing massage, romantic stroll in the grounds, or simply put your feet up in the lounge and enjoy catching up with friends and family, before the excitement begins.

As the build-up gathers momentum, our team will make sure you and your guests feel extra special. We'll take care of it all.

Then on the day itself, we will be there whenever we are needed. Nothing is more important to us than your big day. We believe that your post-wedding glow should last well beyond the event itself.

As the party winds down, retire to your luxurious wedding suite and in the morning, wake up to a delicious breakfast. Where better to start your married life together?

The next day, guests can explore our beautifully landscaped grounds, line up a croquet tournament, or simply relax in the lounge and flick through the papers. There's more than enough to do as you while away a few days.
